PROGRAM

Marc Glucksman (ERA #6077) has traveled extensively throughout the United States and will share with us both digital pictures and scanned slides from his 30 years as a railfan. He will present various images from his own trips as well as the many (NYD-)ERA trips he has attended and reported on for the *Bulletin*. Featured cities include Philadelphia, Chicago, Seattle, Portland, and St. Louis, as well as a few international destinations and some unusual views of the New York City area.

This is Marc's third show for our club, and his last since the New York Division is being merged with its parent, the Electric Railroaders' Association, as of January 1, 2012. Please come join us on December 16 as we send the New York Division into history in style.
