

The New York Division of the Electric Railroaders' Association is pleased to announce a guided tour of Grand Central Terminal on Saturday, February 20, 2010. This magnificent Terminal, officially dedicated on February 2, 1913, is now better than ever after comprehensive restoration work.

Representatives of MTA Metro-North Railroad will be our hosts to point out interesting features of the Terminal, both old and new. In addition to the architectural and structural points to be visited, we will see various types of locomotives and car equipment. We will learn about upcoming plans for GCT, such as the LIRR East Side Access. There is always something going on at GCT, and you can have lunch at one of the many restaurants in the Lower Level Dining Concourse or on the balconies.

Join us for a pleasant day of exploring one of New York's architectural masterpieces. The tour will meet in the Stationmaster's Office at 9:45 AM. The Stationmaster's Office is located under the West Balcony on the main level. For further updates and information, call 201-684-9408. Tour operates rain or shine.

Rules of Conduct

The New York Division of the Electric Railroaders' Association, Inc. (NY Division) reserves the right to exclude from any and all meetings, trips and other activities sponsored by the NY Division, any person who has engaged in disruptive behavior at any previous meeting, trip or other activity sponsored by the NY Division. Also, the NY Division reserves the right to remove from any meeting, trip or other activity sponsored by the NY Division, any person who engages in disruptive behavior at that meeting, trip or other activity.

Disruptive behavior shall include but not be limited to the possession of alcoholic beverages, illegal drugs, illegal weapons or any other illegal substance or item.

The provisions of these NY Division Rules of Conduct shall apply to NY Division members and non-members alike.

Departure Times

Each attendee is responsible for being at the trip starting point several minutes prior to the scheduled meeting time. With regard to the specified meeting time, you should be aware that numerous general orders (G.O.s) are frequently in effect on the subways almost every weekend and these may delay your normal trip from your home or connection to the trip departure point. Travel by bus is always subject to possible delays. It is your responsibility to check for G.O.s and other service notices that may affect your trip beforehand, so that you can plan your arrival time with plenty of cushion to spare. There will be no ticket refunds for failure to show up on time.

Appropriate Dress

If a trip involves walking through a rail shop or similar facility, appropriate footwear should be worn for each attendee's own safety. If a trip plan involves considerable walking, it is recommended that footwear be comfortable.

Just in Case

Although we hope this will be extremely rare, for any Division trip or tour, a late notice change or cancellation could occur. It is very important that you include a **legible** telephone number and/or e-mail address (preferred) on your returned form so that we can contact you as late as the day before the event. Many of you need to travel a good distance to reach the event's starting point. We certainly do not want anyone to make this journey needlessly in case of a late notice change and would appreciate your adherence to this advice.
