

# PATH HARRISON SHOP TOUR

SATURDAY, APRIL 9, 2011

The New York Division, Electric Railroaders' Association, is pleased to announce another visit to PATH's Train Shop in Harrison, NJ, on **Saturday, April 9, 2011**. The visit last October was sold out, so we thought another trip would be appreciated by many of you, particularly due to the current mix of old cars and new PA-5 equipment.

All attendees will meet at Newark Penn Station no later than **10:45 a.m.** that morning. More specifically, you should be at the main turnstiles that lead from the Track 1 platform onto the platform from which PATH trains depart to World Trade Center. A Division member, most likely Sid Keyles, will be there to provide you with paid access through those turnstiles. We will all board, as a group, the first car of a regular service train, which train will drop us off at the employee stop for the Harrison Shop. In anticipation of the need for security clearance for all attendees, please make certain to have a photo ID in your possession.

It is expected that the visit and tour will last approximately one to one and a half hours. One or more representatives from PATH will be our hosts to point out interesting features of the Shop and its various subdivisions. Before the current delivery of PA-5's, PATH had 327 PA-1 through PA-4 cars on its roster, the earliest dating from 1965. See how these cars are kept in good repair.

Join us for a very special visit and tour of this maintenance facility. The ticket price for the visit and tour is only **\$20.00**. **Please note that there is a capacity limit of 30 people on this tour.** Please send the form below and your money as soon as possible, as only the first 30 members responding will be accepted for this trip.

After the tour, we expect to be able to conduct an optional excursion. A PATH employee will accompany us from the Shop to Harrison PATH Station, where we will have 30-45 minutes to photograph Amtrak and NJ Transit trains passing by. Any fares involving this option will be at your expense. For further updates and information, please call (201) 684-9408. This trip operates rain or shine.

### **DEPARTURE TIMES**

**Please note that, for this trip, you will have to find transportation on your own to reach Newark Penn Station. To arrive there well before 10:45 am that Saturday from New York City, you will have to take a PATH train departing World Trade Center to Newark no later than 10:12 am. From 33<sup>rd</sup> Street, you will have to take a Journal Square bound train (with a connection there) no later than 9:45 am. For NJ Transit from NY Penn Station, you must depart no later than 10:14 am. If you come via PATH, you must leave the train at Newark Penn Station (i.e., you cannot stay on for the ride back towards World Trade Center).**

Each attendee is responsible for being at the departure point(s) several minutes prior to the scheduled departure time. With regard to the initial departure times, you should be aware that numerous g.o.'s are frequently in effect on the subways almost every weekend and these may delay your normal trip from your home or connection to the trip departure point. It is your responsibility to check for g.o.'s and other service notices that may affect your trip beforehand, so that you can plan your arrival time with plenty of cushion to spare. There will be no ticket refunds for failure to show up on time. It is important that you adhere to announced return departure times.
