

LIRR COMPLEX VISITS & TOURS: HILLSIDE and MORRIS PARK FACILITIES

Saturday, August 6, 2011

The New York Division, Electric Railroaders' Association is pleased to announce a day of visits to two Long Island Rail Road facilities: the Hillside Maintenance Complex in Hollis, Queens, and the Morris Park Facility just west of Jamaica Station. This trip will be on **Saturday, August 6, 2011**. The Hillside Complex consists of a Maintenance Facility, a Support Complex and a Wheel Truing and Car Servicing Facility. Morris Park is a maintenance facility focused on the diesel fleet. Although final details have not yet been worked out with LIRR, we assume we will first visit Hillside, return to Jamaica for lunch (on your own), and then reconvene at Morris Park.

All attendees will meet in the **ticket office at the Jamaica LIRR Station**, which is at street level on the west side of Sutphin Boulevard, just south of Archer Avenue, no later than **9:45 a.m.** Division member Sid Keyles will be there to greet you. We are still working on final details for our trip over to the Hillside Complex, but anticipate we will all be led aboard a regular service train that will drop us off at the Hillside Station (which is restricted to employees and guests). In anticipation of the need for security clearance for all attendees, please make certain to have a photo ID in your possession.

Transportation to Jamaica LIRR Station from your home is, of course, on your own. You can reach that Station by LIRR from Penn Station, Woodside, Flatbush Avenue in Brooklyn, and many other locations. The Jamaica Station can also be reached by E and J subway trains to Sutphin Boulevard and by many local buses. It is expected that the visit and tour to both facilities will last approximately until mid-afternoon. Please note that the trip will end at the Morris Park facility at Atlantic Avenue and 121st Street in Queens.

Join us for a very special visit and tour of two important maintenance facilities operated by LIRR in the New York metropolitan region. The ticket price of \$25.00 includes transportation between Jamaica Station and Hillside and the tour of the Hillside and Morris Park facilities. Transportation between Jamaica and Morris Park will be at your cost. Please write your email address legibly below so we can notify you if there are any changes in the arrangements detailed above. This visit and tour operates rain or shine.

DEPARTURE TIMES

Each attendee is responsible for being at the departure point(s) several minutes prior to the scheduled departure time. With regard to the initial departure times, you should be aware that numerous g.o.'s are frequently in effect on the subways almost every weekend and these may delay your normal trip from your home or connection to the trip departure point. It is your responsibility to check for g.o.'s and other service notices that may affect your trip beforehand, so that you can plan your arrival time with plenty of cushion to spare. There will be no ticket refunds for failure to show up on time. It is important that you adhere to announced return departure times.

RULES OF CONDUCT

The New York Division of the Electric Railroaders' Association, Inc. ("NY Division") reserves the right to exclude from any and all meetings, trips and other activities sponsored by the NY Division, any person who has engaged in disruptive behavior at any previous meeting, trip or other activity sponsored by the NY Division. Also, the NY Division reserves the right to remove from any meeting, trip or other activity sponsored by the NY Division, any person who engages in disruptive behavior at that meeting, trip or other activity.

Disruptive behavior shall include but not be limited to the possession of alcoholic beverages, illegal drugs, illegal weapons or any other illegal substance or item.

The provisions of these NY Division Rules of Conduct shall apply to NY Division members and non-members alike.

APPROPRIATE DRESS

If a trip involves walking through a rail shop or similar facility, appropriate footwear should be worn for each attendee's own safety. If a trip plan involves considerable walking, it is recommended that footwear be comfortable.
